## Secretary's Report

Welcome to the third annual West Carver United States Bowling Conference (USBC) newsletter. Our 2008-09 bowling season was great, and we are looking forward to the 2009-10 season.

Membership was high again this year. There were 1,138 members in the West Carver USBC Association.

The West Carver USBC would like to welcome Trent Klein. Trent is the new proprietor for Waconia Lanes.

The West Carver USBC is online at [www.westcarver.com](http://www.westcarver.com). Please visit us there.

Final average sheets have been completed for the 2008-09 bowling season. Each bowling center has been supplied with copies of the final averages. If you need an average verified, please either contact the bowling center or send an e-mail to [bowling@westcarver.com](mailto:bowling@westcarver.com)

Sanction fee this year is \$13 per bowler. The breakdown of the fee is \$10 USBC, \$1 state, and \$2 local. If you bowl at Hollywood Sports Complex, Lano Lanes, or Waconia Lanes, you only need to sanction once, since we are all one. For bowlers who bowl outside the West Carver USBC, the local fees are \$2. League secretaries need to have sanction information in before Thursday, Oct. 1. Final average sheets can be dropped off or faxed to Lano Lanes at (952) 467-3500. The newsletter is provided in a joint effort by the association and proprietors, and distributed to all sanctioned bowlers (one per household).

Again, welcome to the West Carver USBC - Come bowl with us!

 Association Manager

Lano Lanes welcomes you to another fun-filled bowling season.

All of our fall leagues have had their meetings and are ready to start. All leagues will start the first week after Labor Day. Youth bowling will start the end of September. Some of the leagues and teams are looking for additional players. If you are interested in bowling for another league or know someone who is, please give us a call.

We would like to congratulate a few people. First of all, Matt Schug bowled 300 game last season. Matt bowls in our Saturday Nooners League. He also earned Most Valuable Player in our high school conference. Joining him on the all-conference team were Andrew Klaustermeier, Sam Klaustermeier, and Michael Schwichtenberg.

Christopher LeBlanc, a youth bowler, teamed up with one of our youth coaches, Ken Silvernagel, to take first place in the Minnesota Bowling Proprietors state finals of the International Family Tournament. The pair bowled in the youth/adult division. Chris will receive a \$500 scholarship when he graduates from high school.

We are or give us a call. (952) 467-3500 or check our web site [www.lanolanes.com](http://www.lanolanes.com)
